## **REGION 10 BULLETIN NO: 2011-03**

Subject: Supervisory Transportation Program Specialist, GS-2101-14

Program Area: Job Opportunity

Date: January 6, 2011

Dedicated to delivering results that matter to the American people, the Federal Transit Administration (FTA) supports, improves, and promotes effective public transportation, the Nation's fastest growing mode of travel. Through the administration, management, and oversight of an \$8 billion annual grant program, FTA supports the development and construction of subway, light rail, streetcars, monorails, commuter rail, and bus systems to help communities provide travel choices; improve access to jobs and health care; drive economic growth; and protect the environment.

Region 10 has an opening for a permanent full-time position as a Supervisory Transportation Program Specialist, GS-2101-14, the director of the Office of Planning and Program Development. The director manages all planning, environmental, and grant development processes.

**The deadline for applications is January 19, 2011.** Follow the guidelines in applying for this position at the web site:
